KNIGHTS FOR LIFE

Endorsed by every Roman Catholic Bishop in California.

By standing with women in crisis, we safeguard both mother and child—turning fear into hope and preserving the miracle of life.

Ways to Support the Mission

Publicize the Hotline

One of the most effective ways to reach women in need is through your parish bulletin. Ready-to-use bulletin ads, flyers, and posters are available in the media kit at www.optionsunited.org/media-kit

Spread the Word

- Host a table after Mass or during parish events.
- Invite parishioners to learn more, sign up to volunteer, and stay connected with Options United.
- Strengthen your community's commitment to life by hosting small gatherings such as coffee or lunch meetups, community walks for life, prayer vigils, or speaker and family nights.
- Share your outreach efforts with your local council and with Options United.

Support Financially

Encourage your council to make an ASAP matched grant between \$1,000 and \$2,500 to help expand the hotline.

Steps to participate:

1. Complete the ASAP application at www.kofc.org/en/contact/asap.html
2. Request a W-9 and Donation Receipt Letter from Options United by emailing info@optionsunited.com
3. After submitting your materials, the Supreme Council will issue a matching grant — usually within one month.

Pray

Invite fellow Knights and parishioners to pray daily for women considering abortion and for the lives of their unborn children. Prayer requests arrive in real time through the Options United call center.

Join the prayer effort at www.optionsunited.org/pray
