You Believe in Defending Life

Options United shows you how to reach women,
offer hope, and make that belief count.

Volunteer Outreach Program Goals

01

Promote the Hotline

Increase awareness among women in crisis and inspire donor support so the hotline can grow and reach even more women in need.

02

Acknowledge the Need

Highlight the realities of abortion and single motherhood so more people understand the challenges women face and the help that's available.

03

Foster Relationships

Options United lays the foundation through the hotline. Volunteers build on that by being a local presence and, when possible, walking with these women beyond the crisis.

Volunteer Pathway

01

Get Connected

Connect with an Options United Volunteer Coordinator.

02

Complete Training

Complete the official training and become fully prepared to represent Options United.

03

Promote the Hotline

Spread the word and share the number. Every share matters and can change a life.

Promoting the Hotline

Every Connection Starts With Awareness

Ways to Share the Hotline

Place flyers or cards on community boards at churches, businesses, or campuses.

Work with your pastor to make your church a pro-life resource.

Host awareness events like 5Ks, benefit brunches, or small gatherings

Share the hotline through social media

Benefits of a Church Ministry

Unplanned pregnancies are often hidden. When a church shows it is pro-life, women know where to turn for help through the hotline or within their church community.

1 Increased Donations

Volunteers are twice as likely to donate versus those who do not volunteer.

2 Increased Loyalty

Volunteers in the Options United TUVU Community form relationships that strengthen their connection to the organization and its supporters. This creates loyalty to the organization ensuring ongoing support.

3 Volunteer Led Fundraising

Fundraising is led by motivated volunteers through each church partnership, helping to expand our reach. Examples include community 5Ks, benefit dinners hosted in homes, larger-scale events, or direct appeals to a separate donation fund.
